The National Terrazzo & Mosaic Association, Inc.

2018 Honor Awards Submission Forms

The National Terrazzo and Mosaic Association annually conducts an awards program to honor member contractors for executing exceptional terrazzo work. Projects are judged on the basis of excellence in design and implementation, quality, and craftsmanship. The judging process is completely non biased and conducted by a panel of terrazzo experts who are not made aware of the contractor or location of each job they are evaluating.

Eligibility

The following requirements must be met for your job to be considered.

- All entries must have been installed by an NTMA Contractor member in good standing.
- All entries must have been completed between October 1, 2014 and October 1, 2017.
- Submittals must be accompanied by no more than 20 high resolution photos (300 dpi @ 8x10 or greater) .jpeg files illustrating the job; please, no .tif files. Photos must be supplied on a CD or Flash Drive without Copyright Protection Measures. Please provide an architects drawing and job process pictures.
- The Award Data Form must be filled out with no exceptions. We want to recognize all parties responsible for the origination and execution of the winning jobs. Please double-check the names of the individual architects and designers as well as their respective firms.
- Each entry must be accompanied by the entry fee. Submissions received without payment will not be judged. You may pay by check, credit card or PayPal (located on home page of website).

-If received by June 30, 2017 the entry fee is \$300 after that is \$350.

Judging

The judging for the 2018 Honor Awards will consist of six terrazzo experts in the fields of architecture, design, and contracting. Their decision will be based upon:

- Excellence in craftsmanship
- Excellence in design
- Scope of installation

PHOTOGRAPHY IS IMPORTANT!!

- **Professional photography** is highly recommended. Here is the link for the Association of Independent Architectural Photographers website: <http://www.aiap.net/>. If you need other names please call the NTMA office.
- Include detail and broad shots of your work. The judges are interested in how the terrazzo fits in the building as well as chip distribution and strip detail.
- Include 20 photos, from the big picture (showing full space design and how all elements of the project work together) to medium range (color consistency) and at least 4 up-close details (such as strip matching, aggregate distribution). Points will be removed if no close-up detail shots are available.
- You may include a picture of the architects drawing and in the process pictures in addition to the 20.
- Photos should be high-resolution, 300 dpi, saved as a JPEG.
- Please include a photo of details mentioned in your write-up: cove base, poured-in-place base, stairs, unusual features, etc.
- **LOOK** at your photos before sending them. Judges notice everything. If something was installed according to the design but may appear to be a problem - explain that it was part of the design.
- Additional photos of the job may be included in a separate file to be used for future advertising.
